Note

- i.) Interested bidders may obtain further information about this Notice Inviting Tender (NIT) from the office of Government Engineering College, Buxar
- ii) No tender will be accepted after closing date and time in any circumstances.
5. Bidder may also download the tender document available from eproc2.bihar.gov.in and submit the tender by using the downloaded document.
6. The Government Engineering College, Buxar will select the bidder based on Least Cost Selection (LCS) method for Onboarding Service Provider for LAN & Wi-Fi networking and augmenting with the existing network in the institute Premises.
7. The tender shall be accompanied by Earnest Money Deposit (EMD) of Rs. 50,000/- (Fifty Thousand Rupees Only) in the shape of Demand Draft from any Schedule Bank in favour of Government Engineering College, Buxar
8. The technical and financial bids must be submitted through eproc2.bihar.gov.in before the date and time specified in the tender document. The Government Engineering College, Buxar doesn't take any responsibility for the delay / Non-Submission of Tender / Non-Reconciliation of online Payment caused due to Non-availability of Internet Connection, Network Traffic/Holidays, or any other reason.

9. The bidders shall submit their eligibility and qualification details, Certificates as mentioned in the tender document, in the online standard formats given in eproc2.bihar.gov.in at the respective stage(s) only.
10. The bidders shall upload the scanned copies of all the relevant certificates, documents etc., in support of their eligibility criteria/technical bids and other certificate/documents in the eproc2.bihar.gov.in.
11. The bids must be uploaded (e-mode/online) at the eproc2.bihar.gov.in.
12. All prospective bidders may attend the Pre-Bid meeting. The venue, date and time are indicated in Schedule of Events as in above section 4.
13. The Earnest Money should be deposited on or before the closing date & time indicated above in the Government Engineering College, Buxar, failing which the tenders will be treated as late tender and would be summarily rejected. Proof of the same shall be uploaded on the eproc2.bihar.gov.in during the bid submission.
14. In the event of any of the above-mentioned dates being declared as a holiday/ closed day for the Government Engineering College, Buxar the tenders/EMD will be opened/received on the next working day at the scheduled time.
15. Government Engineering College, Buxar reserves the right to accept or reject any or all tender or change the terms and condition of NIT or cancel the NIT without assigning any reasons at any stage and time.

For further enquiry and information, contact the following officer during office hours 10:00 AM to 05:00 PM- Dr. Chandra Shekhar, Nodal Officer, GEC, Buxar Mobile no. - 8686904636.

1. All further notifications/Corrigendum/Addendum if any shall be posted on eproc2.bihar.gov.in.
2. When reading this document if you identify any errors or omissions, please advise Government Engineering College, Buxar in writing, in 5 calendar days, giving a brief description of the problem, its location within document and your contact details.

Confidentiality

This document contains privileged and confidential information pertaining to the "Onboarding Service Provider for LAN & Wi-Fi networking and augmenting with the existing network in the Institute Premises" at Government Engineering College, Buxar. Principal/ Principal In charge
Government Engineering College, Buxar

3. Instruction to Bidders

- a. Government Engineering College, Buxar invites Proposals from experienced and eligible service provider for LAN & Wi-Fi networking and augmenting with the existing network in the Institute Premises (All Academic, Examination Hall, Auditorium, Administrative Residential, Hostel, Stock, outdoor open area etc.) of the Institute campus.
- b. The bidder shall submit his bid/tender on proc2.bihar.gov.in.
- c. The bidder may use their Digital Signature Certificate (DSC) if they already have. They can also take Digital Signature Certificate (DSC) from any of the authorized agencies.
- d. For users if they must get registered themselves on proc2.bihar.gov.in submit their bids online. Offline bids shall not be entertained by the Tender Inviting Authority (TIA).
- e. Bids not submitted, as per the above Terms / instructions mentioned in this RFP document, will be summarily rejected.
- f. The bidders shall submit their eligibility and qualification details, technical bid, financial bid, etc. in the online standard formats given on proc2.bihar.gov.in.
- g. The bidders shall upload the scanned copies of all the relevant certificates, documents etc. with indexing and paging, in support of their eligibility criteria / technical bids and other certificates / documents on the proc2.bihar.gov.in.
- h. The bidder shall digitally sign the supporting statements, documents, certificates, uploaded by him, owning responsibility for their correctness/authenticity. The bidder shall attach all the required documents for the specific tender after uploading the same during the bid submission as per the tender notice and bid document.
- i. The rate quoted by the bidder shall remain same throughout the contract period including any extension thereon. No increment in rates would be permitted in any circumstances.
- j. The bidder is obliged to work closely with Government Engineering College, Buxar, act within its own authority and abide by directives issued by Government Engineering College, Buxar from time to time.
- k. All the required documents should be attached at the proper place and with proper nomenclature (as mentioned in the e-forms) otherwise the tender of the bidder will be rejected.
- l. The bid (technical and financial details) of the bidder shall be submitted on or before the last date of submission in online mode only. Tenders submitted after the stipulated date & time (closing date and time for uploading the tender and submission of EMD) as mentioned in Clause 4, Notice Inviting Tender (NIT) shall not be considered and would summarily be rejected.
- m. The decision of Government Engineering College, Buxar in regard to interpretation of the Terms & Conditions and the Agreement shall be final and binding on the bidder.
- n. In case of any disputes on execution of the work during the period of contract, the decision of the principal, Government Engineering College, Buxar shall be binding and final, agreeable in full by both the parties. Any legal disputes shall be subject to Bihar jurisdiction.
- o. Any change/contendur/extension of timing/ opening dates in respect of this RFP shall be issued through website only and no press notification will be issued in this regard. Bidders are therefore requested to regularly visit Government Engineering College, Buxar website for updates.
- p. All available technical literature, catalogues, and other data in support of the specifications and details of the items should be furnished along with the offer.
- q. Samples of any product, if called for, should be submitted free of all charges by the tenderer and Purchaser shall not be responsible for any loss or damage thereof due to any reason whatsoever. In the event of non-acceptance of tender, the tenderer will have to remove the samples at his own expenses.
- r. Equipment's offered should strictly conform to the specifications. The tenderer should also include the Make/Type number of the equipment's offered and provide catalogues, technical literature, and sample, whatever necessary along with the quotation. Test certificates wherever necessary should be forwarded along with supplies.

- a. The bidder will be liable to replace if any hardware faulty during the contract period without any extra cost during the warranty period.
 - i. The bidder has to arrange necessary insurance coverage to the workmen/machinery/equipment's etc. deployed by him and shall arrange necessary safety measures before starting the work.
 - ii. In the case of more than one Bidder has quoted same minimum price the bid shall be evaluated through a lottery system and the videography of the complete process shall be kept in a record (as per order no 7988, dated 24.08.2023 of the Department of Finance, Government of Bihar - Annexure -5).
4. **Inspection of Site and Equipment**
The Bidders are advised to physically visit and inspect, all the existing networking facilities, building and premises as such, etc. that may be necessary for preparing the bid and for entering into an agreement for the execution of the project. The bidder should take into account of all existing infrastructure available with the Institute during presentation of the bid. Bidder at its own expense should survey the site. No complaints of any nature would be entertained later.
5. **Tendering Expense**
The bidder shall bear all costs and expenditure incurred and/or to be incurred by it in connection with its tender including preparation, mailing and submission of its tender and subsequently processing the same. The Government Engineering College, Buxar shall in no case be responsible or liable for any such cost, expenditure etc. regardless of the conduct or outcome of the tendering process.
6. **Right to Accept Any Offer and to Reject Any or All Offers**
Government Engineering College, Buxar reserves the right to accept or reject any tender offer, and to terminate the tendering process and reject all tenders at any time prior to award of contract, without thereby incurring any liability in the affected tender(s) or any obligation to inform the affected tender(s) of the grounds for such action.
7. **Language of the tender**
The tender submitted by the bidder and documents relating to the tender shall be written in the English language only.
8. **Taxes**
The Bidders shall fully familiarize themselves about the applicable domestic taxes (such as GST, income taxes, duties, fees, levies, etc.) on amounts payable by the Purchaser under the resultant Agreement. All such taxes must be included by Bidders in the financial proposal.
9. **Concessions permissible under statutes**
Government Engineering College, Buxar while quoting against this tender, must take cognizance of all concessions permissible, if any, under the statutes and ensure the same is passed on to the Purchaser, failing which it will have to bear extra cost. In case Bidder does not avail concessional rates of levies like customs duty, excise duty, Cess, etc. Government Engineering College, Buxar will not take responsibility towards this.
10. **Amendments to Tender Documents**
At any time prior to the deadline for submission of tenders, the Government Engineering College, Buxar may, for any reason deemed fit by it, modify the tender document/s by issuing suitable amendment(s) to it. Such an amendment will be notified on Government Engineering College, Buxar(<https://www.gecbuxar.ac.in>) website and the same shall be binding to all prospective bidders. Government Engineering College, Buxar will not issue any separate communication in this regard.
11. **The-Bid Meeting**
To provide response to any doubt regarding terms and conditions, scope of work and any other matter given in the tender document, a pre-bid meeting has been scheduled to be held in the office of

Government Engineering College, Buxar or an online meeting may be scheduled. The Go-First meeting by representative of prospective bidders shall be responded appropriately, however, they shall clarify and will be asked to submit their written request by close of office next working day. The Government Engineering College, Buxar shall upload written response on the Government Engineering College, Buxar (<https://www.gecbuxar.ac.in>) website to such requests for clarifications, without identifying its source. In case required, amendments issued, shall be binding on all prospective bidders. Further, the issue raised having been clarified shall be final. Bidders are advised to visit the Government Engineering College, Buxar (<https://www.gecbuxar.ac.in>) website regularly for any updates/ corrigendum/ amendments etc.

12. Earnest Money Deposit (EMD)

- a) The tender shall be accompanied by Earnest Money Deposit (EMD) of 50,000/- (Fifty Thousand Rupees Only) in the shape of Demand Draft from any Schedule Bank in favour of Principal, Government Engineering College, Buxar must be submitted offline, as per the terms and conditions mentioned in this document. EMD should not have been issued on a date later than the last date for submission of bidding document i.e., 27.08.2024.
- b) The EMD of unsuccessful bidder will be returned to them without any interest, after execution of the contract. The EMD of the successful bidder will be returned without any interest, after receipt of performance security as per the terms of contract.
- c) The EMD shall be forfeited by Government Engineering College, Buxar hereunder in either/whichever, under the following conditions:
 - If a bidder engages in a corrupt practice, fraudulent practice, coercive practice, undesirable practice, or restrictive practice.
 - If a bidder withdraws its bid during the period of bid validity as specified in the tender and is absconded by the Government Engineering College, Buxar from time to time.
 - In the case of selective bidder, if it fails within the specified time limit:
 - i. to sign the contract and/or
 - ii. to furnish the Performance Security (PS), before signing the contract agreement, within the period prescribed in the letter of intent (LoI).

13. Bid Validity

The submitted bids shall remain valid for a period of 180 days after the date of submission.

14. Licensing

The implementing Agency will follow the following licensing conditions:

- a) The bidder shall procure the licenses of the third-party software wherever applicable/ required in accordance with its procedures by payment of applicable license fees on behalf Government Engineering College, Buxar. The licenses that procured would be in the Government Engineering College, Buxar. The bidder shall ensure that third party vendors provide standards-based customer interface and considers other factors like regular updates and support etc. The Bidder should provide adequate licenses for all the modules mentioned in the scope so that all users can access their respective functionalities as per their role without any constraints.
- b) All licenses should be either supported by OEMs/subscription providers for entire contract period.
- c) All the aforesaid products should have a roadmap for updates and patch management either from OEM or Subscription provider and providing the same would be the responsibility of the bidder for the contract period.

15. Signing of the Contract

The Contract document/Agreement between Government Engineering College, Buxar and selected bidder should be executed within 21 days of the issue of the letter of intent (LoI). The selected bidder will have to submit the Performance Security (PS), as applicable before signing of the agreement. Non-

fulfilment of this condition will result in cancellation of the award and forfeiture of the EMD with consequential action if so desire.

16. Duration

The contract, if awarded, shall be valid for a period of one year from the date of award. In case of breach of contract or in the event of not fulfilling the minimum requirements/ statutory requirements, Government Engineering College, Buxar shall have the right at any time to terminate the contract forthwith in addition to forfeiting the Performance Security amount deposited by the bidder and initiating administrative actions for blacklisting, etc.

17. Modification to Contract

The contract when executed by the parties (Government Engineering College, Buxar and the bidder) shall constitute the entire contract between the parties (Government Engineering College, Buxar and the bidder) in connection with the services and shall be binding upon the parties (Government Engineering College, Buxar and the bidder). Modification, if any, to the contract shall be in writing and with the consent of both the parties (Government Engineering College, Buxar and the bidder) and not otherwise.

18. Performance Security

- a. The successful bidder shall have to furnish a performance security equivalent 5% of the Project cost, in the shape of a Bank Guarantee issued by a scheduled Bank in favour of Principal, Government Engineering College, Buxar. The Bank guarantee shall be as per proforma at "Annexure 3" and remain valid for a period, which is six months beyond the date of expiry of the contract. The Performance Security will be returned to the bidder, upon validation of completion of all contractual obligations including warranty.
- b. The performance security should be submitted before executing the contract /signing of the contract document positively.
- c. If the bidder violates any of the terms and conditions of tender document of this Notice inviting Tender/Tender in any manner, the Performance Security shall be liable for forfeiture, wholly or partly, as decided by the Government Engineering College, Buxar and the contract may also be canceled/terminated. Further, the bidder may be blacklisted for a reasonable period as decided by the Department of Science, Technology and Technical Education/Government Engineering College, Buxar.

22. Scope of Work:

Broad scope of work should be:

To enable the institute premises with networking and Wi-Fi services with augmentation of existing infrastructure, (if available):

- To Set up network & WiFi services inside institutes premises, which would consist of LAN, optical fibre, Switches, Routers, Wireless Access Points (Indoor and Outdoor), Security equipment (Firewall) etc.
- To provide wired and wireless connection in Admin Blocks, Academic Blocks, Library, Auditorium, Laboratory, Hostels, Classrooms, Examination Hall, etc. also provide internet access through

wireless medium to the students, staff, faculty, and guest visitors, as per the requirement of the institute.

- To enable Authentication, Authorization, and Accounting (AAA) security service for controlling and tracking user access both in LAN and Wi-Fi network.
- To install Access Points at suitable location to receive the maximum coverage and has no interference. Access points inside the main building must be covered with a protective mesh that can withstand any human-caused damages.
- Access Points shall provide seamless coverage within its range as well as between different Access Points of the proposed Wi-Fi Network.
- Each Access point must support minimum of 50 concurrent clients/devices/users.
- Insure installation, commissioning, and maintenance of any mounting structure for Access Points like Pole (as per requirement) along with required accessories at each site/location.
- Provide module for keeping a log of Wi-Fi services to be utilized by the end user such as IP details, URL visited, Time stamp, End user Authentication, Mobile No. MAC & IP Address, access time, duration, data consumed, Access pointwise (bandwidth, Download/ Upload Speed) etc. to meet the compliance with all regulatory and legal guidelines issued by DoT/TRAI time to time.
- Provide solution compliant with applicable guidelines of DoT & TRAI.
- Ensure that all software / firmware etc. should be updated periodically for patches/release etc.
- Solution should be scalable to efficiently support a bandwidth of 1GBPS/2 GBPS or more (as case maybe) as required by institute in future. A certificate should be given by the bidder in this regard.
- Solution should have capabilities to support separate SSID's and Group Policies for Students, Faculty, Staff and Guest Visitors of the Institute with separate view/bandwidth-based policy for all categories.
- Ensuring adherence to the agreed Service Levels and Service Quality for each of the deliverables executed by them.
- Ensure the delivery of equipment and installation of entire network systems at the institute within 8 weeks from the date of award of contract.
- Solution should cater at least 1000 concurrent users at institute level, which should be scalable for future need. Self-declaration should be given by the bidder in this regard.
- Maximum of two devices authenticated per registered user at any point of time.
- Provide solution for the ability to filter the type of content accessed (e.g., block/let URLs etc)
- The solution must have a Network Management System (NMS) with following features:
 - a) Web based user interface (secured).
 - b) Should support fault, and performance management.
 - c) Ability to present graphical view of the network.
 - d) Capability to view the network topology. The NMS should be able to monitor all the active components, Wire and Wireless elements, of the network.
 - e) The NMS should have the capabilities to support all the hardware in the existing Network irrespective of OEM.
- Provide appropriate training to the designated/nominated staffs of the institute.
- Should carry necessary civil and related restoration work etc.
- Provide 24x7 helpdesk for customer support to the end users.

2.3. Bill of Quantity

Sl. No.	Components	Type of Device	UOM
1	Firewall with minimum 8 numbers of 1G port and 2 Nos of fibre optic port.	Physical	1 pcs
2	Core Switch with 24 optical port, 16 with SFP	Physical	1 pcs

Sn.	Components	Type of Device	UOM
	module)		
3	Distribution Switch - L3 Switch with Dual Power supply and 24 fibre optic port along with SFP+ modules	Physical	8 pcs
4	Access Switch- 16 port L2 PoE with minimum 2 SFP+	Physical	14 pcs
5	Access Switch-8 port L2 PoE with minimum 2 SFP+	Physical	12 pcs
6	Indoor AP (With Mounting Kit & Controller)	Physical	70 pcs
7	Rugged and waterproof Outdoor IP 65 AP (With Mounting Kit)	Physical	15 pcs
8	Wireless Controller	Physical	1
9	15 U Rack	Physical	1 pcs
10	9 U rack (With PDU) inside Gallery	Physical	10 pcs
11	CAT7 cable	Physical	27000 mtr
12	ID box for CAT-termination (Double Port)		150 pcs
13	12 Core Fibre with LRU and termination accessories (Optical fibre joint enclosure LRU LC to HC and LC to LC patch cord)	Physical	5000 mtr
14	Patch Cord	Physical	1 Mtrs – 470 pcs 2 Mtrs – 300 pcs
15	RJ 45 Connector.	Physical	250 pcs
16	Suitable Electrical wiring with conduit & all required material	Physical	5000 mtr
17	24 port LAN patch panel	Physical	25 pcs

Note:

- Prices should be quoted in Indian Rupee only and indicated both in figures and words. The amount mentioned in words will prevail.
- It is bidders' responsibility to install, commission, test, and go live.
- All the items' counts mentioned above is only tentative number, it may exceed or less as per the work.
- The BOQ mentioned in the RFP is for the entire scope of work and duration mentioned in this RFP. Bidders are requested to do site visits to check the feasibility and to ensure achievement of the objective and scope of work of this RFP.

24. Warranty Services

The bidders will provide comprehensive warranty details for all the Hardware/ software. It would be the bidder's responsibility to arrange all updates and upgrades through respective OEMs. The bidder must provide all updates and upgrades for the proposed devices free of cost during warranty period. The bidder shall put in place all back-to-back support agreements for the proposed network components with respective OEMs for warranty services and submit documents in support of the same.

Note: Warranty support services for all network equipment during the execution of the project before the project is signed off shall be provided by the bidder at no cost to Government Engineering College, Buxar.

25. Documentation

The bidder shall provide the following documentation. The content and format of the documentation will be discussed and agreed with Government Engineering College, Buxar prior to development/delivery of the documentation.

28. Penalty

The bidder shall ensure the delivery of equipment and installation of entire network systems at the Institute within 8 weeks from the date of award of contract. If not completed in the specified timeline suitable penalty would be imposed as decided by the principal of Government Engineering College, Buxar.

29. Indemnity

The supplier shall indemnify, protect, and save Government Engineering College, Buxar against all claims, losses, costs, damages, expenses, action suits and other proceedings resulting from infringements in respect of all hardware and software supplied to Government Engineering College, Buxar. Government Engineering College, Buxar also stand indemnified from any compensation arising out of accidental loss of life or injury sustained by any manpower while working on the project.

30. Termination, Dispute Resolution & Other

30.1. Termination of Contract

- a) If bidder found to be involved in fraudulent practices (misrepresentation or omission of facts or suppression/hiding of facts or disclosure of incomplete facts), in order to secure eligibility to the bidding process during the submission of bid or after release of Letter of Intent (LoI) or agreement formalization after signing of contract, shall be liable for punitive action amounting to blacklisting of the bidder, including the forfeiture of concerned EMD and/or Performance Security also, whatever it relates.
- b) Notwithstanding contained here, the Government Engineering College, Buxar prejudice to any other contractual rights and remedies available to it, shall by written notice of any default in service / installation/ testing /commissioning etc. sent to the bidder, terminate the contract in whole or in part, if the bidder fails to perform services as specified in the present contract read with the terms of the contract agreement or any other contractual obligations within the time period specified in the contract and the firm may be blacklisted, consequently the performance security may be forfeited.
- c) **Termination for Insolvency** - If the bidder becomes bankrupt or otherwise insolvent, it will inform to the Government Engineering College, Buxar within 30 days written notice to terminate the contract. Government Engineering College, Buxar reserves the right to terminate, without any compensation, whatsoever, to the bidder, and may forfeit the performance security.
- d) **Termination by mutual consent** - In the event the Government Engineering College, Buxar and the bidder mutually agrees to the terminate the contract, either party shall give 90 days' written notice

to the other party and after the consent of both the parties contract may be terminated without any legal or financial obligation on any party to the contract.

30.2. Force Majeure

- a) For purposes of this clause, Force Majeure means an event beyond the control of the bidder and not involving the bidder's fault or negligence, and which is not foreseeable and not brought about at the instance of, the party claiming to be affected by such event and which has caused the non-performance or delay in performance. Such events may include wars or revolutions, hostility, acts of public enemy, civil commotion, sabotage, fires, floods, explosions, earthquake, epidemics, quarantine restrictions, strikes excluding by its employees, lockouts excluding by its management, and freight embargoes.
- b) If a Force Majeure situation arises, the bidder shall promptly notify the Government Engineering College, Buxar in writing of such conditions and the cause thereof within 7 days of occurrence of such event. Unless otherwise directed by the bidder in writing, the bidder shall continue to perform its obligations under the contract as far as reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- c) If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding thirty days, either party may at its option terminate the contract without any financial repercussion on either side.

30.3. Notices

Notice, if any, relating to the contract given by one party to the other, shall be sent in writing or e-mail or by post. The addresses of the parties for exchanging such notices will be the addresses as incorporated in the contract between the Government Engineering College, Buxar and the bidder.

30.4. Resolution of Disputes

- a) Any dispute, difference, or claim arising out of or in relation to this Agreement, will be settled by reaching a mutual understanding between the parties.
- b) If any further dispute arises between the parties thereupon, the same will be settled as per the extant law of land through the competent court of law under the territorial jurisdiction of Patna only.

30.5. Applicable Law

The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force.
