Chief Patron

Dr. Ram Naresh Rai, Principal, GEC BUXAR

Patron

Dr. R.N Yadav, Dean (Academic)

Chairman

Mr. Utkarsh Raj, HOD, EED

Coordinators

Mr. Bablu Kumar, Asst. Professor, EED

Mr. Deepak Singh, Asst. Professor, EED

Convenors

Mrs. Akriti, Asst. Professor, EED

Mrs. Vidya Rashmi, Asst. Professor, EED

Organising Team

Mr. Rahul kumar

Mr. Anand Ranjan

Mr. Chandrabhanu Kumar

Mrs. Prity Chaudhary

Organized by

Department of Electrical Engineering

Government Engineering College Buxar

Buxar, Bihar - 802103

Participation

Faculty Development Program on Outcome Based Education and NBA from **02 Sept - 04 Sept 2024** is open to all faculties, industry professionals, researchers of AICTE/UGC recognized colleges/institutions and technical universities/deemed universities. Interested candidates are required to register using the link provided at the earliest but not later than 02 Sept 2024, 10:00 am. There are limited seats in the FDP and there are **no registration charges**. The candidates will be communicated the FDP schedule in due course of time. The FDP will be held in the **Online mode** by Department of Electrical Engineering, Government Engineering College Buxar, Bihar India.

Who Should Attend

Faculties of Degree/Diploma levels, Research Scholars, post-graduate students, Practicing Engineers & Planners in Government & Industry can attend this FDP in **ONLINE** mode.

Objective of the Course

- Enhance Understanding: Equip faculty with a clear understanding of Outcome-Based Education (OBE) principles and their significance in the academic curriculum.
- NBA Accreditation Process: Provide comprehensive insights into the National Board of Accreditation (NBA) framework, criteria, and documentation requirements for successful accreditation.
- Practical Implementation: Guide faculty on practical strategies for integrating OBE into teaching-learning processes, assessment methods, and continuous quality improvement.

Course Contents

- Introduction to Outcome-Based Education
- Designing Course Outcomes (COs) and Program Outcomes (POs)
- Teaching Strategies for OBE
- Assessment and Continuous Improvement
- NBA Accreditation and OBE Implementation

Resource Person

Dr. Ram Singar Yadav, Assistant Professor,
Department of Mechanical Engineering,
Sardar Vallabhbhai National Institute of
Technology, Surat.

About GEC BUXAR

Government Engineering College (GEC), Buxar is one of the new Government Engineering Colleges established by the Government of Bihar under the Science, Technology and Technical Education Department. The college has five engineering branches – Civil, Mechanical, Electrical, Electronics & Communication and Computer science engineering.

Department of Electrical Engineering

The Electrical Engineering department has well-qualified faculty with specializations in the field of electrical power systems, electrical machines and drives, power electronics, renewable energy devices, control & robotics, Analog Electronics and sensors & instrumentation. The department has an excellent academic infrastructure with current UG student intake of 60.

Important Dates

Last date for registration: 02 September 2024 (10:00 am)

No registration will be allowed after the last date of registration.
